Guide to sponsorship opportunities at CleanMed Europe 2012 in Malmö, Sweden

26th 27th 28th September

www.CLEANMEDEUROPE.ORG
Health Care Without Harm Europe (HCWH Europe) and Region Skåne invite you to participate in CleanMed Europe 2012. CleanMed Europe is the only place health care professionals come together from around Europe and the rest of the world to share best practices and keep up on current sustainability trends. It’s the place to connect with leaders in health care sustainability. CleanMed Europe sponsorship is an opportunity to highlight your organisation’s sustainability efforts and reach hundreds of members of the health care community. It’s your chance to reach critical decision makers with your company name and brand, so they will think of you when they make purchasing decisions. It’s your time to get noticed.

To remain relevant, you must develop products and services that meet the needs of sustainable health care facilities. Not just for your business success, but because you care about the patients and staff. You care about the people you serve, as well as the people they serve. Demonstrate your dedication to environmental sustainability in the health care sector while building your brand and building your business. Secure your sponsorship opportunity today.
